3. The Chief Engineer, NRDWP, RWS&S Department , Hyderabad is permitted to accord clearance for Part-B component of the SVS work only after completion of Part-A and establishing the sustainable source and clearance by STA.

4. The Engineer-in-Chief, Rural Water Supply & Sanitation Department, Hyderabad is requested to limit the expenditure to **Rs.37551.91 lakhs** (Rupees Three hundred seventy five crore fifty one lakhs ninety one thousand only) and details of all works should be uploaded on IMS “Watersoft” System.

(P.T.O)

5. The tender calling authority is requested to acquire the total site required for intra village infrastructure of the Single Village Scheme in advance from Panchayat Raj Institutions before calling tenders itself and tenders shall not be called for without advance possession of the site required and other permissions needed in respect of Single Village Schemes.

6. The Engineer-in-Chief, Rural Water Supply and Sanitation Department, Hyderabad is requested to scrupulously follow the guidelines of NRDWP and utilize the funds as per financial rules. No changes shall be made on ground without following due procedure.

7. For any change from sanctioned technical estimates during execution, the agreement authority shall approach the approving authority concerned in writing. No assumption of approval should be made unless approval is received in writing. The technical sanction to be accorded must fully confirm to the above administrative sanction components only.

8. The Engineer-in-Chief, Rural Water Supply and Sanitation Department, Hyderabad while conveying the technical approval / sanction should ensure that necessary instructions shall be incorporated therein to all the Agreement Authorities (Executive Engineers / Superintending Engineers) concerned to follow the sequential order i.e. **head- to- tail approach** scrupulously (i) in grounding works, and (ii) while sanctioning payments.

9. The DPR properly approved by competitive authorities should be forwarded to the Government.

10. The per capita capital cost and other technical parameters should be informed to the Government.

11. The Superintending Engineers should examine for the repetitions, if they are sanctioned at District Level or State Level in any other grant or in the same grant and if the administrative sanction amount is sufficient to achieve FC status. The repeated work may be ignored and shall not be taken up and informed to Engineer-in-Chief and Government.

12. The Superintending Engineer, Rural Water Supply and Sanitation Department, concerned shall place the work to a District Level Committee consisting of:

- | | |
